BILL EVANS &
MEGAN LYNCH
GENE & GAYLA MILLS

The Shady Grove Coffeehouse

Presenting the best in acoustic music in a family friendly, smoke- and alcohol-free environment.

Banjo player **Bill Evans** and fiddler **Megan Lynch** make music that uses bluegrass virtuosity as a springboard into the broader worlds of Americana and alternative rock. While virtuosic fiddle and banjo work is to be expected from these internationally known blue-

grass musicians, it's the outstanding lead singing of Megan and the pair's rich duo vocal sound that is a revelation. Drawing on singer-songwriter and alternative rock sources as much as traditional old-time and bluegrass music, the duo creates music that's intensely intimate and rooted in bluegrass tradition, displaying a natural and unassuming sophistication that reflects their wide-ranging interest in many kinds of contemporary and popular music. Bill and Megan performed an outstanding house concert for us last year . Don't miss them as they appear on the Shady Grove stage!

Gene and Gayla Mills are a folk and country singer/songwriter duo. Gene has been playing in the Central Virginia area for over 30 years and has been called by one reviewer "one of the most talented songwriters and musicians in Virginia." His deep, smooth voice and impressive lead guitar are accompanied by Gayla's harmonies and bass; they are the perfect vehicle for songs ranging from clever to poignant.

Tickets: \$15 advance; \$17 door; children 12 and under admitted free of charge; teens 13-18 admitted at half price
